40 VILLARROEL BARRENO JUSTIN JOSHUA

Inspector:Yaranga Leonardo

Rubric:

- class A: 0.5/1 , //is empty
- class B: 0.1/1 , //no extends A,is empty
- class C: 0.1/1 , //no extends A,is empty
- class D: 0.1/1 , //no extends A,is empty
- class E: 0.9/1 , //is empty
- class F: 0.9/1 , //is empty
- class G: 0.1/1 , //no implements, is empty
- interface H: 0.2/1 , //is not an interface or abstract class,no methods
- class J: 0.9/1 , //is empty
- Main: 0.4/1 , //no declare objects
- Execution: 0/1 , //no print

Evidence:

```
public class A {  
class A: }
```

```
public class B {  
class B: }
```

```
public class C {  
class C: }
```

```
public class D {  
class D: }
```

```
class E: public class E {  
    }  
class F: public class F {  
    }  
class G: public class G {  
    }  
interface H: public class H {  
    }  
class J: public class J {  
    }  
public class ViceRojas {  
    /**  
     * @param args the command line arguments  
     */  
}
```

41 YARANGA SUQUILLO LEONARDO JAVIER

Inspector: Cristian Acalo

Rubric:

- class A: 0.6/1, //a is not an ArrayList
- class B: 0.1/1, //no extends, empty class
- class C: 0.95/1, //no toString
- class D: 0.55/1, no toString, no extends
- class E: 1/1,
- class F: 0.95/1, //no toString
- class G: 0.6/1, //no methods
- interface H: 0.5/1, //empty class
- class J: 0.95/1, //no toString
- Main: 0.2/1, //no method main, no objects
- Execution: 0.3/1, //Print just "Hello World"
- TOTAL 6.7/10

Evidence:

class A:

```
public abstract class A {  
    private int a;
```

class B:

```
public class B {  
  
}
```

class C:

```
public class C extends A {  
    private ArrayList<E> ec;
```

```

private int e;

public E(int e) {
    this.e = e;
}

```

class F:

```

public class F {
    int f;
}

```

class G:

```

public class G extends H {
    private int a;
    private int a1;
}

```

interface H:

```

public abstract class H {

}

```

class J:

```

public class J {
    public static void method() {
        |
    }
}

```

Main:

```

public class FromUmlToCode {
    C c = new C();
}

```

Execution:

```

--- maven-plugin-3.0.0-javadoc [Default-cli] $ 38-31_FromUmlToCode ---
Hello World!
