

GUI Design

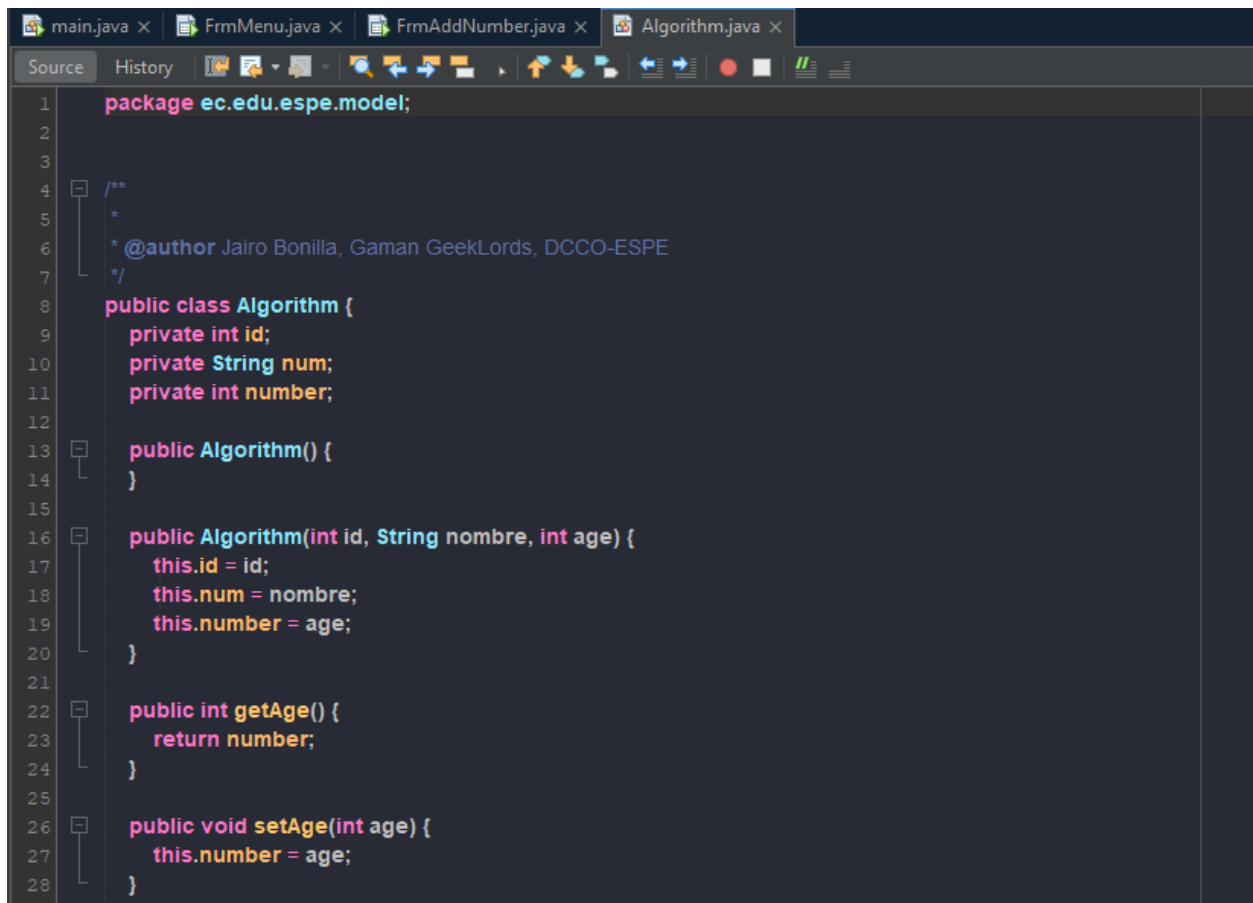

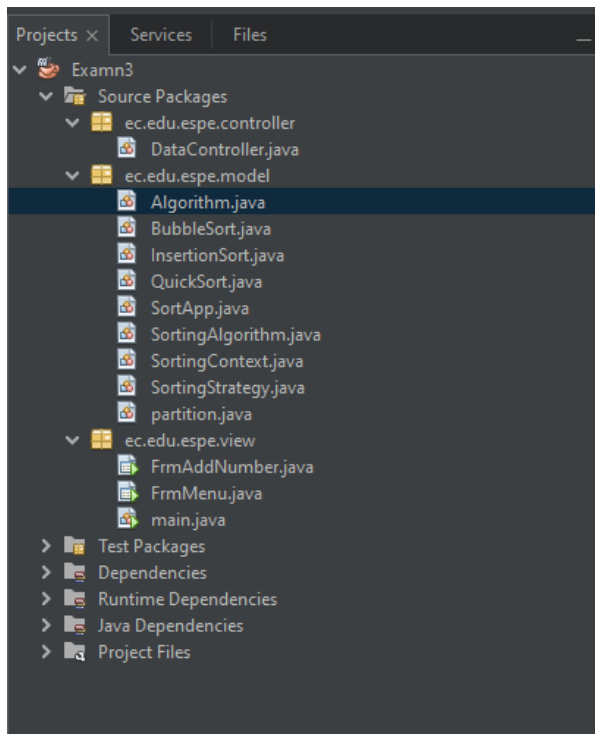

A GUI design diagram for a window titled "Exam". The window has a title bar with standard minimize, maximize, and close buttons. The main content area contains a label "Numbers to Order:" followed by three empty text input fields stacked vertically. In the bottom right corner, there is a button labeled "Add elements".

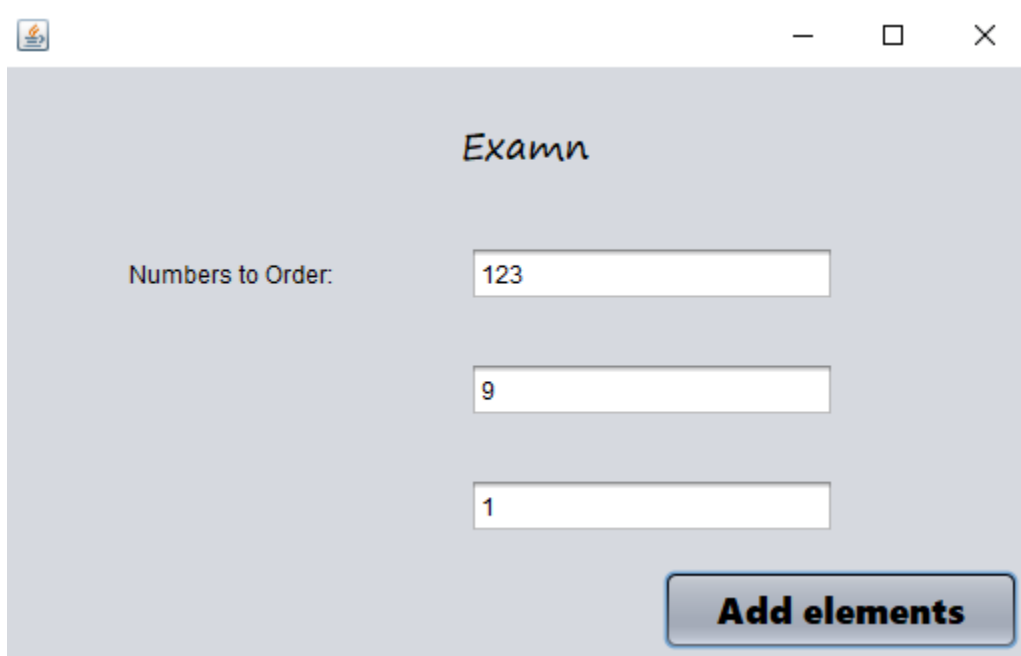

A GUI mockup of a window titled "EXAM". The window has a title bar with standard minimize, maximize, and close buttons. The main content area contains a label "Number" followed by a button labeled "Add number". The word "EXAM" is displayed in large, bold, black capital letters in the center of the window.

CODE

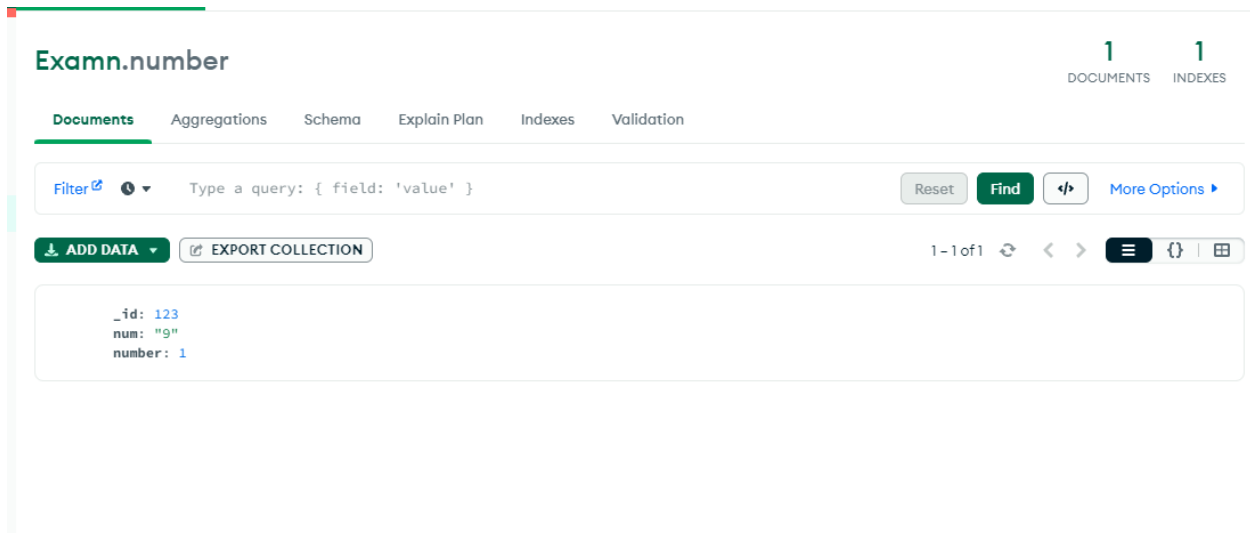

Run Program

A Java Swing window titled "Examn" with a light gray background. It contains three text input fields stacked vertically. The first field contains "123", the second contains "9", and the third contains "1". To the left of the first field is the label "Numbers to Order:". At the bottom right is a button labeled "Add elements".

MongoDb

The MongoDB Compass interface shows the "Examn.number" collection. The "Documents" tab is active, displaying a single document with the following fields: `_id`: 123, `num`: "9", and `number`: 1. The interface includes a search bar, a query editor, and navigation controls.

Field	Value
<code>_id</code>	123
<code>num</code>	"9"
<code>number</code>	1
